

Stampede

COVID-19 social distancing Staff guidelines

Distance

Ensure that a distance of at least 2m is maintained between any person waiting to enter the premises.

Small groups

Ensure that you only admit people to the premises in sufficiently small groups to make it possible to maintain a 2m distance.

Facilities

Regulate use of toilet facilities

Track & Trace

All guests should be registered for Covid-19 tracking as they enter the venue

! GUEST ACTION - guest registers with the venue

WiFi

Advise guests to sign in via your WiFi network and their data will appear in the interactions dashboard automatically.

Scan QR Code

Guests can scan the QR code included in your pack simply using the camera app on any smartphone.

If guests cannot scan the QR code they can visit <https://stmpd.ai/in-venue> and follow the process.

Manual Check-in

<https://stmpd.ai/in-venue>

If the guest cannot use one of the methods above you (a staff member) must register them manually within Stampede.

- Go to the **'Interactions'** section of the Stampede dashboard.
- Use the **'Manually Add Guest'** button at the top of the screen.

! STAFF ACTION - Validate guest registration before serving

Validate for service

<https://stmpd.ai/in-venue>

Before serving a guest check that they are on the list of people in the venue. Ask the guest for their name and check that they are on the list
